

MB-59S HI

Dveřní a okenní systém s tepelnou přestávkou

The MB-59S HI system has been designed to give architects an integrated window and door system, allowing flexibility of design whilst at the same time as providing good thermal and acoustic insulation. It is the starting point for any specifier and provides a multitude of options for window projects; Tilt&turn, Tilt&slide, side hung, bottom hung, pivot and also an open out option for top hung and side hung. They are also available in high thermal insulation variety name HI.

FEATURES AND BENEFITS

- Window options include, open in side hung, bottom hung, pivot tilt & turn and Slide & Tilt.
- The Casement derivative provides open out options of top hung and side hung
- single or double doorsets available in open in or out
- wide range of finishes and colours, Anodises, Powder coated, dual colour and new Decoral wood grain finish
- dual color option
- Eurogroove to broaden the choice of hardware available
- suites with other Aluprof's MB systems allowing total design flexibility and project solutions
- compliance with CE marking requirements
- The standard tilt and turn variety offers great value for money. It is ideal for limited budget projects with basic thermal and acoustic requirements. It is suitable for installation in low or medium rise buildings for commercial and domestic, new build or refurbishment projects.
